

# SENTINEL LANDSCAPES PARTNERSHIP

## 2024 WEBINAR SERIES SCHEDULE

Join the Sentinel Landscapes Partnership for the 2024 Webinar Series to learn how the partnership collaborates with key partners to safeguard natural areas, protect water resources, and provide public recreation opportunities. Additionally, gain insights into projects that balance military readiness with environmental stewardship and cultural preservation, and learn about newly designated landscapes from the 2024 Sentinel Landscape Designation Cycle.

All webinars begin at **1:00 PM** Eastern Standard Time unless otherwise noted. For detailed webinar descriptions and connection instructions, please visit [www.sentinellandscapes.org/about/resources/](http://www.sentinellandscapes.org/about/resources/).

WEDNESDAY  
**28 FEB**

### 2024 READINESS AND RECREATION INITIATIVE HELP SESSION

The REPI Program is pleased to partner with the National Park Service State and Local Assistance Program for the 2024 Readiness and Recreation Initiative. Now in its second year, this partnership provides \$40 million in funding from the Land and Water Conservation Fund (LWCF) as potential match to REPI funds to support projects that provide recreation opportunities to military families and the public while also promoting military readiness and resilience. Join the REPI Program and the National Park Service for a Readiness and Recreation Initiative help session to learn more about building projects that successfully match LWCF and REPI funds and how to submit proposals.

WEDNESDAY  
**24 JUL**

### 2024 DESIGNATION CYCLE SENTINEL LANDSCAPES SPOTLIGHT

The Sentinel Landscapes Partnership is thrilled to announce newly designated landscapes from the 2024 Sentinel Landscape Designation Cycle. This process, informed by ten years of lessons learned in building innovative connections between partners in conservation, working lands, climate resilience, and national defense, aims to set the stage for the next decade of impact in sentinel landscapes. Join the Sentinel Landscapes Partnership to learn about the newly designated landscapes. During this webinar, representatives from selected landscapes will explore their history, priorities, and alignment with the mission of the Sentinel Landscapes Partnership. Additionally, presenters will share best practices and insights on why they believe their applications were successful.

WEDNESDAY  
**11 DEC**

### NAVIGATING MILITARY READINESS THROUGH RESPONSIBLE PROJECT EXECUTION\*

The REPI Program ensures responsible, sensitive, and collaborative project execution by aligning with regulatory requirements for environmental compliance, cultural preservation, and tribal consultations. Join the REPI Program and the Sentinel Landscapes Partnership to learn about projects that involve compliance with the National Environmental Policy Act, National Historic Preservation Act, and Tribal consultations to effectively balance military readiness with environmental stewardship and cultural preservation.
